

Faculty Recruitment Announcement

Department of Chemistry, National Chung Hsing University, Taiwan

The Department of Chemistry at National Chung Hsing University in Taichung, Taiwan invites applications for tenure-track faculty positions available from February 1, 2026. We seek outstanding candidates who demonstrate exceptional promise or accomplishments in the fields of inorganic chemistry, analytical chemistry, or biochemistry.

Qualifications: Applicants must possess a PhD in chemistry or a closely related field and have at least one year of postdoctoral experience by the application deadline. Preference will be accorded to candidates who possess a high proficiency in English and have a record of excellent teaching capabilities.

Required Application Documents:

- (1) Completed faculty application form accompanied by a certificate of research/work experience.
- (2) List of representative and reference publications.
- (3) Copies of significant publications post-February 1, 2021 (For those applying as an associate or full professor, publications during the current appointment are required)
- (4) Copies of all listed reference publications post-February 1, 2019
- (5) Doctoral degree certificate (For degrees obtained outside Taiwan, verification from ROC Embassies or Missions is required).
- (6) Research plan.
- (7) Teaching plan.
- (8) Academic transcripts from both undergraduate and graduate studies.
- (9) Three letters of recommendation, including one from the PhD advisor (This requirement is waived for associate or full professorship applicants).
- (10) Additional supporting materials for evaluation.

Deadline:

Applications must be postmarked by May 29, 2025.

Submission address: Department of Chemistry, National Chung Hsing University
145 Xingda Rd., South Dist., Taichung City 402, Taiwan (ROC)

Please mark the envelope with "Faculty Position Application".

Additional Notes:

- (1) Digital versions of relevant documents are available at NCHU Chemistry site.
<https://www.chem.nchu.edu.tw>
- (2) Selected candidates will be contacted for interviews; application materials will not be returned.
- (3) For inquiries, please contact via email at chemistry@dragon.nchu.edu.tw
