# COMMENCEMENT

## 理學院114年畢業撥穗典禮

撥穗的意義，代表稻穗或麥穗成熟，象徵畢業生已學有所成，可以展翅高飛；

撥穗的儀式，將學士帽上的帽穗從右邊撥到左邊；

撥穗的典禮，與畢業典禮亦同，是祝福畢業生鵬程萬里，展翅高飛；

人生的旅程上充滿機會與挑戰，願你秉持著勇氣把握機會並擊敗挑戰。

Turning of the tassel marks a significant moment: our graduates, like ripened grain, are ready to embark on a new journey. This simple turning the tassel from the right to the left on their caps signifies their transformation from students into graduates. Celebrating this milestone, the ceremony mirrors traditional graduations, offering our best wishes for a future filled with promises. Life offers endless opportunities and challenges—may you embrace them with courage and triumph.
